AGREEMENT

THIS AGREEMENT is made and entered into this 5th day of June 2007, by and between the Board of Education of the Los Angeles Unified School District, which together with its administrative staff and representatives will be referred to in this Agreement as the "District" and the Los Angeles School Police Sergeants and Lieutenants Association, which together with its officers and representatives will be referred to in this Agreement as the "Union".

ARTICLE I

RECOGNITION

1.0 The Unit: Pursuant to applicable California statutes, regulations, and the Certification of Representation dated May 9, 2006, in PERB Case No. LA-SV-144-E, the District acknowledges that the Los Angeles School Police Sergeants and Lieutenants Association has been certified as the exclusive representative of a bargaining unit comprised of all regular employees in probationary and permanent status, including part-time employees, employed in the following classes:

4223	Lieutenants
4211	Sergeants
4225	Supervising School Safety Officers

1.1 Excluded: All other personnel designated as management or confidential within the meaning of Government Code Section 3540.1 and all other classes and positions as excluded in the Certification of Representation dated May 9, 2006, in P.E.R.B. Case No. LA-SV-144-E.

2.0 Changes to the Unit: The parties agree that this represents the appropriate unit. The unit may be revised only by mutual agreement or by a Public Employment Relations Board unit clarification decision, but it is agreed that neither party may file for a unit clarification proceeding involving this unit except when the District creates new classifications or when the Union contends that certain classifications should be accreted to the unit. Disputes over unit composition and alleged violations of this Article are not subject to the grievance and arbitration procedures of this Agreement.

3.0 "Employees" Defined: Unless the context clearly indicates otherwise, the terms "employee" or "employees" will normally be used in this Agreement to indicate persons who are included within the above unit, and the term "personnel" will normally be used in a broader sense to include employees as defined above plus all other persons utilized by the District to provide services.

Article I – Recognition

4.0 Employees with more than one (1) job assignment who function for a majority of the work period in any of the classifications listed in Section 1.0 shall be considered in the unit. Should an employee's job involve an equal number of hours in different assignments, the employee shall be considered as included in the unit only if that employee has functioned in one of the foregoing classifications for the longest period of time based upon the date of regular assignment.

ARTICLE II

SEPARABILITY AND SAVINGS

1.0 If any provision of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any tribunal of competent jurisdiction pending a final determination as to its validity, the remainder of this Agreement or the application of such Article or Section as to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

2.0 In the event of any such invalidation of any provision of this Agreement, the parties agree to meet and negotiate within thirty (30) days of such invalidation for the purpose of arriving at a satisfactory replacement for such provision. This Article shall not be subject to the grievance and arbitration provisions of Article V (Grievance Procedure).

ARTICLE III

DISTRICT RIGHTS

1.0 General: The intention of this Article is to provide that the District retains all rights and powers which have not been limited by the other Articles of this Agreement. The provisions of this Article are not intended to expand the rights of the District beyond statutory and constitutional limits, or in any manner to waive or diminish the rights of the Union or the employees as provided in the other Articles of this Agreement. In the event that there is a conflict between the rights of the District under this Article and the rights of the Union or employees as set forth elsewhere in this Agreement, the provisions of the other Articles of this Agreement shall prevail.

2.0 District Rights: It is agreed that all matters which are beyond the scope of negotiations under Government Code Section 3543.2, and also all rights which are not expressly limited by the terms of this Agreement are retained by the District. Such retained rights include, but are not limited to, the right to determine the following matters:

- a. The legal, operational, geographical, and organizational structure of the District, including the chain of command, division of authority, organizational divisions and subdivisions, external and internal boundaries of all kinds, and advisory commissions and committees;
- b. The financial structure of the District, including all sources and amounts of financial support, income, funding, taxes and debt, and all means and conditions necessary or incidental to the securing of same, including compliance with any qualifications or requirements imposed by law or by funding sources as a condition of receiving funds; all investment policies and practices; all budgetary matters and procedures, including the budget calendar, the budget formation process, accounting methods, fiscal and budget control policies and procedures, and all budgetary allocations, reserves, and expenditures, apart from those allocated to fund the express wage and benefit obligations of this Agreement;
- c. The acquisition, disposition, number, location, types and utilization of all District properties and equipment, whether owned, leased, or otherwise controlled, including all facilities, grounds, parking areas and other improvements, and the type of personnel, work, services, and activity functions assigned to such properties;
- d. All services to be rendered to the public and to District personnel in support of the services rendered to the public, the nature,

Article III - District Rights

methods, quality, quantity, frequency and standards of service, and the personnel, facilities, vendors, supplies, materials, vehicles, equipment and tools to be used in connection with such services; the subcontracting of services to be rendered and functions to be performed, including educational, support, construction, maintenance and repair services, subject only to Code restrictions upon same;

e. The utilization of personnel not covered by this Agreement, including but not limited to consultants and personnel occupying positions listed as "Excluded" in Article I (Recognition), to do work on a non-regular and limited basis which is normally done by employees covered hereby, subject to provisions of the Education Code covering this issue, and the methods of selection and assignment of such personnel;

f. The educational policies, procedures, objectives, goals and programs, including those relating to student conduct and discipline, student transportation, food services, racial and ethnic balance, extra-curricular activities, and emergency situations; and the substantive and procedural rights and obligations of students, parents, employees and the public with respect to such matters;

g. The selection, classification, direction, promotion, demotion, discipline, termination and retirement of all personnel of the District subject only to applicable law; affirmative action and equal employment policies and programs to improve the District's utilization of women and minorities; the assignment of employees to any locations subject only to Article XI (Transfer Procedures); and also to any facilities, classrooms, functions, activities, departments, tasks, or equipment; the staffing levels, work loads, and the number of employees; and the determination as to whether, when and where there is a job opening.

h. The job classifications and the content and qualifications thereof; the rates of pay for any new classifications implemented during the term of the Agreement.

i. The duties and standards of performance for all employees; and whether any employee adequately performs such duties and meets such standards, subject only to Article X (Evaluation Procedures).

j. The dates, times, and hours of operation of District facilities, functions, and activities; work schedules; school calendar; the assignment of paid duty days beyond the regular assigned duty year; the assignment of overtime, if any, subject only to Article IX (Hours of Work) and Article XVI (Holidays).

Article III - District Rights

k. Safety and security measures for employees, students, the public, properties, facilities, vehicles, materials, supplies, and equipment, including the various rules and duties for all personnel with respect to such matters, subject only to Article XVIII (Safety Conditions).

l. The rules, regulations and policies for all employees, students, and the public, subject only to the express limitations contained in this Agreement.

m. It is understood that several of the above-mentioned reserved rights are exercised in conjunction with or subject to Personnel Commission powers, functions and obligations, and where that occurs the above-mentioned rights of the District are intended to include the rights of the Commission.

n. All other rights of the District not expressly limited by the language of this Agreement are also expressly reserved to the District even though not enumerated above, and the express provisions of this Agreement constitute the only contractual limitations upon the District's rights. The exercise of any right reserved to the District in a particular manner or the non-exercise of any such right shall not be deemed a waiver of the District's right or preclude the District from exercising the right in a different manner.

3.0 The right to "determine" as used above in Section 2.0 includes the exclusive right to establish, change, modify, or discontinue in whole or in part, temporarily or permanently, any of the above matters.

4.0 Effect on Grievance Procedure: The contractual rights of the Union and the employees are set forth in the other Articles of this Agreement and this Article is not a source of such rights. Accordingly, no grievances may be filed under this Article. However, nothing in this Article shall prevent the filing of grievances under Articles of this Agreement which have not been excluded from the grievance procedure.

ARTICLE IV

UNION RIGHTS

1.0 Access: Any authorized Union representative shall have the right of reasonable access to District facilities, including employee mailboxes and cell phones for the purpose of transacting official union business and contacting unit members regarding official union-related matters. Usage of a District cell phone shall be subject to District policies and procedures.

a. Upon arriving at a work site, other than LASPD headquarters or an LASPD satellite office, the representative shall first report to the office of the site administrator and state the intended purpose and estimated length of visit. The representative may contact employees during duty free lunch periods, before and after employees' hours of service, or when the employee is not engaged in duties. The representative shall not interrupt any employee's duties or assignments.

2.0 Bulletin Boards: The Union shall have the right to post notices of official Union matters on designated bulletin board(s) or a section of designated bulletin board(s) established for the Union's exclusive use at each work site where employees are assigned.

3.0 Released Time for Negotiations: No more than three (3) negotiating team employee representatives designated by the Union shall be released from duty with no loss of pay and with mileage reimbursement for the purpose of attending negotiation meetings with the District pursuant to this Agreement. The Union and the District may agree that additional employees shall receive such released time.

4.0 List of Employees: The Union shall be provided quarterly a current list of names, employee numbers, social security numbers, classifications, addresses, and work locations of all employees covered by this Agreement. This report shall also include date of hire in classification for each employee.

5.0 Copies of Agreement: A reasonable number of copies of this Agreement will be provided by the District to the Union for its ratification meeting.

6.0 Release Time Bank: An employee may voluntarily contribute any earned compensatory or benefit time, subject to the provisions of this Section, to a separate Release Time Bank to be maintained by the District and thereby waive his/her right to the usage of, or payment for, such compensatory or benefit time. Such irrevocable contributions shall be in hourly increments and shall be made on a signed District form submitted to the designated payroll clerk during the payroll period in which the time is earned. The Union shall have the right, upon request, to be informed as to the balance of hours in the Release Time Bank. For purposes of this Article, for non-sworn employees, "compensatory or benefit time" shall include only earned vacation, and shall be contributed on the basis that each hour of vacation shall equal a one-half (½) hour contribution to the Release Time Bank. For sworn employees,

Article IV – Union Rights

“compensatory or benefit time” shall include earned vacation and compensatory time.

6.1 The Office of Staff Relations shall be informed in writing each school year as to the names of three (3) employees designated by the Union, pursuant to its own procedures, who shall be eligible to draw against the Release Time Bank. Up to two (2) designated employees at any one time may then use any contributed time-off in order to be released from duty without loss of pay to conduct official union business, provided, however, that such usage does not conflict with the operations of the District. Such usage shall be in hourly increments of no less than one (1) hour. Exceptions may be made in the sole discretion of the District.

6.2 Use of the Release Time Bank shall be subject to at least two (2) days advance written notification on a District form to be submitted to the Chief of Police or designee. Such notification shall include the reason(s) and estimated length of the requested release time. The Chief of Police or designee may deny the request if it is contrary to the intent of this Section in which case the designated employee shall be informed as to the specific reason for such denial. The decision of the Chief of Police or designee in such cases shall be final.

7.0 Special Committees: From time to time, the District and the Union may establish ad hoc joint management -- bargaining unit committees to discuss matters of mutual concern. Such committees shall in no way be construed as bargaining committees nor shall they be empowered to modify, in any way, the terms and conditions of this Agreement.

8.0 Release Time for District-Sponsored Committees or Meetings: When the Union is requested by the District to designate an employee to attend or participate in a District-sponsored committee or meeting, one designated employee shall be given reasonable released time with no loss of pay to attend. Unless otherwise agreed to, expense of attending such meetings shall be borne by the Union or the employee. Employees are expected to report to work before or after attendance, if practical. Additional employees may be released upon approval of the Chief of Police or designee.

8.1 To minimize the impact on School Police operations, the Union shall, whenever feasible, designate either an off-duty employee or a non-District individual to attend such meetings. To the extent that released time is needed, the supervisor and the employee shall make every effort, where practical, to modify the employee's work schedule so as to minimize the amount of released time required for attendance.

8.2 The parties understand that the immediate needs of the School Police Department may, at any given time, prevent the release of a particular employee, in which case the Union will be advised and may designate another employee to attend.

ARTICLE V

GRIEVANCE PROCEDURE

1.0 Grievance and Parties Defined: A grievance is defined as a claim that the District has violated an express term of this Agreement and that by reason of such violation the grievant's rights under this Agreement have been adversely affected. Grievances as so defined may be filed by:

- a. An employee;
- b. The Union on behalf of an identified employee(s); or
- c. The Union on its own behalf as to alleged violations of rights granted to the Union in this Agreement.

1.1 All other matters and disputes of any nature are beyond the scope of this grievance procedure, including but not limited to those matters for which other methods of adjustment are provided by the District, such as reductions in force; examination procedures, results and references; performance evaluations; disciplinary matters; and complaints by one employee about another. Also excluded from this grievance procedure are those matters so indicated elsewhere in this Agreement. Claimed violations of Article VII (Non-Discrimination) are to be handled through the Equal Opportunity Program Section or the grievance procedure subject to Article V (Grievance Procedure).

1.2 The respondent in any grievance shall be the District itself rather than any individual administrator.

1.3 If the same grievance or essentially the same grievance is filed by more than one employee, then one employee may, upon the District's agreement, process the grievance under this Article on behalf of the other involved grievants. The final determination of that grievance shall apply to the other pending grievances.

1.4 The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof unless the parties agree to the contrary.

1.5 Processing and discussing the merits of a grievance shall not be considered a waiver by the District of the defense that the matter is neither grievable nor subject to arbitration under this Agreement or that the grievance should be denied for other reasons which do not go to the merits.

2.0 Representation Rights in the Grievance Procedure: If an administrator with the authority and responsibility to adjust a grievance is absent during the time specified for meeting his/her responsibility under these procedures and no mutual agreement has been reached for a time extension, the

Article V - Grievance Procedure

District shall designate a representative to assume this responsibility. The grievant must be present at each step of the grievance procedures unless excused by the District.

2.1 At all grievance meetings under this Article, the grievant shall be entitled to be accompanied and/or represented by a Union representative. A grievant shall also be entitled to represent himself or herself. The administrator shall have the right to be accompanied by another administrator or District representative. By mutual agreement other persons such as witnesses may also attend grievance meetings.

2.2 When a grievant is not represented by the Union, the District shall not agree to a final resolution of the grievance until the Union has received a copy of the grievance, been notified of the proposed resolution and been given an opportunity to state in writing its views on the matter, provided however, that the grievance may be withdrawn by the grievant at anytime which shall terminate the grievance procedure.

3.0 Released Time for Employees: Grievance meetings and hearings will be scheduled by the District at mutually convenient times and places during regular District business hours. Such meetings will be scheduled so as to minimize interference with regular employee duties. If a grievance meeting or hearing is scheduled during duty hours, reasonable employee released time, including necessary travel time without loss of salary, will be provided to the grievant, Union representative and to any witness who attends by mutual agreement. When grievance meetings are scheduled outside the employee's duty hours, the meeting shall be held immediately preceding or following the employee's shift, except that grievance meetings scheduled following completion of an employee's shift may be held at a time to allow the employee adequate time to travel to the meeting on non-duty hours. Any of the foregoing employees required to travel to meetings or hearings pursuant to this section shall receive mileage reimbursement.

4.0 Confidentiality: From the time a grievance is filed until it is finally resolved, neither the Union, nor the grievant, nor the District shall publicly disclose or discuss the grievance or evidence regarding the grievance (e.g., specific facts, positions of the parties, merits, etc.). This prohibition is not intended to restrict normal interviewing of witnesses and other necessary preparations for the hearing or internal communication by the Union or the District for the purpose of evaluating, pursuing or resolving grievances. Moreover, nothing in this provision shall prohibit the internal disclosure by either the District or the Union of the general fact that a grievance has been filed regarding a particular contractual dispute and that the parties are utilizing the grievance process in an attempt to resolve that dispute.

5.0 Effect of Time Limits: If a grievance is not processed by the grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn. If the District fails to respond to the grievance in a timely

Article V - Grievance Procedure

manner at any step, the running of its time limit shall be deemed a denial of the grievance and termination of the step in question, and the grievant may proceed to the next step. All time limits and grievance steps may be shortened, extended or waived, but only by mutual written agreement.

6.0 "Day" Defined: A "day" for purposes of this Article is defined as any day of the calendar year except Saturdays, Sundays, and legal (or school) holidays.

7.0 Required Informal Discussion: Before filing a formal written grievance under Step One, a grievant must attempt to resolve the dispute by presenting the grievance orally to the immediate supervisor and discussing the grievance with the supervisor. The written grievance must be filed within the time limits required under Step One whether or not the grievant is able to utilize these informal efforts.

8.0 Step One: Within fifteen (15) days, as defined in Section 6.0, after the grievant or the Union knew or reasonably should have known of the occurrence of the facts upon which the grievance is based, the grievance must be presented in writing to the immediate supervisor on the District Grievance Procedure Form stating the facts surrounding the grievance, identifying the specific provisions of this Agreement which are alleged to have been violated and the remedy requested. The form shall be signed and dated by the grievant, as defined in Section 1.0 above. A meeting between the grievant and the Chief of Police or designee shall take place within five (5) days from presentation of the grievance, and the Chief of Police or designee shall reply in writing within five (5) days following the meeting. If appropriate, the immediate supervisor may also attend the meeting. Unless there is a mutual written agreement to the contrary, Step One shall terminate at the close of business on the ninth (9th) day following the Step One meeting.

8.1 If a grievance does not relate to the immediate administrator and the remedy requested is not within the authority of the immediate administrator, the grievance may, if the grievant desires, be filed with the administrator who has such responsibility and authority.

9.0 Step Two: If the grievance is not resolved in Step One, the grievant may, within five (5) days after the termination of Step One, present the written grievance to the Chief Operating Officer or designee. Within five (5) days from receipt of the grievance, a meeting shall take place to discuss the matter and the Chief Operating Officer or designee shall reply in writing within five (5) days following the meeting. Unless there is a mutual written agreement to the contrary, Step Two shall terminate at the close of business on the ninth (9th) day following the Step Two meeting.

10.0 Step Three: If the grievance is not resolved in Step Two, the grievant may, within five (5) days after the termination of Step Two, present the written grievance to the Superintendent or designee. If, at his or her discretion, the Superintendent or designee desires, a meeting may take place within five (5)

Article V - Grievance Procedure

days from receipt of the grievance. The Superintendent or designee shall reply in writing to the grievance within five (5) days after the meeting or, if no meeting is held, within five (5) days after receipt of the grievance. Unless there is a mutually written agreement to the contrary, Step Three shall terminate at the close of business on the ninth (9th) day following the Step Three meeting, or if no meeting is held, on the fourteenth (14th) day following receipt of the grievance.

11.0 Request for Arbitration: If the Union is not satisfied with the decision at Step Three, the Union, with the concurrence of the grievant, may submit the matter to the Office of Staff Relations to arrange an arbitration hearing. This request must be made within five (5) days after the termination of Step Three.

12.0 Arbitration: The arbitration panel shall be composed of an arbitrator and two panel members. The Union and the District shall each appoint one panel member, who shall be an employee or administrator of the District, to serve on the arbitration panel provided, however, that no employee may be selected by any grievant to serve on an arbitration panel more than twice in any calendar year.

Within five (5) days from the date the request for arbitration is received by the Office of Staff Relations, a meeting shall be arranged with the parties to the grievance, or their representatives, for the selection of an arbitrator.

The arbitrator may be jointly agreed upon by the parties or shall be selected from the following list of persons by alternately striking names until one remains.

Howard Block	Joseph Gentile	William Rule
C. Chester Brisco	Kenneth Perea	
Mark Burstein	John D. Perone	
R. Douglas Collins	Thomas Roberts	

The party who strikes the first name shall be determined by the flip of a coin. If the arbitrator indicates that he will not be available for hearing within a reasonable time not to exceed sixty (60) days, the parties shall proceed to select another arbitrator as indicated above.

12.1 The hearing shall be under the direction of the arbitrator who shall conduct all matters in accordance with the rules and procedures prescribed in Section 11513 of the Government Code except as otherwise indicated in this Article. Arbitration hearings shall be private with attendance limited to the panel, the parties to the grievance and their representatives, if any, and witnesses while testifying.

12.2 The Office of Staff Relations shall be responsible for the arrangements for the hearing, the maintenance of records, and such other

Article V - Grievance Procedure

services required by the arbitrator for the fulfillment of the arbitrator's responsibilities.

12.3 The parties shall exchange lists of proposed witnesses not later than five (5) days prior to the first date of the hearing.

12.4 Neither party shall communicate with the arbitrator without first contacting the other party to explain the purpose of the intended communication.

12.5 Unless the parties mutually agree otherwise, a hearing shall be scheduled within sixty (60) days from selection of the arbitrator. The decision shall be issued within thirty (30) calendar days after final submission of the case. Arbitrators who fail to meet the deadline for decision shall, unless the parties have mutually extended this deadline, be deemed ineligible for selection for new cases until such time as the decision is submitted.

13.0 Optional Preliminary Hearing On Issues Which Do Not Involve Merits of Grievance: If the District claims that the grievance should be dismissed for reasons which do not go to the merits (e.g., mootness, untimeliness, matter beyond the scope of procedure, or breach of confidentiality provisions) the District may cause its claim to be heard and ruled upon by the arbitration panel prior to a hearing on the merits. If the District plans to invoke this separate preliminary hearing, it shall so advise the Union prior to selection of the arbitrator. Immediately after selection of the arbitrator for the preliminary hearing, either the Union or the District may require that a different arbitrator be selected to hear the merits in the event that such a hearing is required.

There shall be at least fifteen (15) days between the panel's decision on the preliminary matter(s) and any hearing on the merits. The preliminary hearing is optional to the District and if not utilized, the District shall not be precluded from raising its arbitrarily defenses at the regular hearing, provided that it gives the Union ten (10) days' notice of its intention to do so. Moreover, both the Union and the District shall retain all rights they have under law to pursue issues relating to arbitrability of a grievance.

14.0 Limitations Upon the Arbitrator: The arbitration panel shall have no power to alter, add to, or subtract from the terms of this Agreement, but shall only determine whether an express term of the Agreement has been violated as alleged in the grievance. Past practice of the parties in interpreting and applying the terms of this Agreement may be relevant evidence, but shall not be used so as to justify or result in what is in effect a modification (whether by revision, addition, or detracting) of the terms of this Agreement.

The arbitration panel shall have no power to render an award on any grievance occurring before or after the term of this Agreement or to grant a remedy exceeding that sought by the grievant. Grievances arising prior to this

Article V - Grievance Procedure

Agreement are to be handled pursuant to applicable provisions of the 2002-2005 Unit S Agreement which was in effect prior to this Agreement.

15.0 Effect of Arbitration Award: The arbitration panel's decision shall be final and binding upon the grievant(s), the District, and the Union. The California law on final and binding arbitration awards between a school district and an employee organization shall be applicable to such a decision.

15.1 Except as provided above, a final and binding award which determines the merits of a dispute shall be conclusive on the grievant(s), the District, and the Union in any subsequent proceedings, including disciplinary and termination proceedings.

15.2 Unless otherwise indicated in this Agreement this grievance procedure is to be the employees' and the Union's sole and final remedy for any claimed breach of this Agreement.

16.0 Expenses: All fees and expenses of the arbitrator shall be paid by the losing party. Each party shall bear the expense of presenting its own case. A transcript of proceedings shall not be required, but either party may order a transcript at its own expense. If the other party at any time desires a copy of the transcript, it must share equally the cost of the reporter and transcription. Any dispute as to the identity of the losing party shall be resolved by the arbitrator.

17.0 Grievance Files: The District's Office of Staff Relations shall maintain a file of all grievance records and communications separate from the personnel files of the grievant(s), and grievance documents and decisions shall not be included in the personnel file unless it is reasonably necessary or appropriate to do so. Grievance documents, including arbitration awards, shall never be placed in an employee's examination folder except that any evaluation which is sustained through the grievance procedure may be placed in the employee's examination folder.

18.0 No Reprisals: There shall be no reprisals against an employee for utilizing these grievance procedures or for assisting a grievant pursuant to these procedures.

ARTICLE VI

WORK STOPPAGE

1.0 No Strikes: Apart from and in addition to any existing legal restrictions upon and remedies for work stoppage, the Union agrees to the following:

a. During the term of this Agreement, neither the Union nor its respective officers or representatives shall urge, call, sanction or engage in any work stoppage, slowdown, or other concerted interference with normal District operations for any cause whatsoever. In the event of any actual or threatened strike, slowdown, or other work stoppage, the Union and its officers, representatives and affiliates shall take all reasonable steps within their control to avert or end the same; and

b. Any employee engaging in any strike, slowdown, or other work stoppage may be subjected to discipline or termination under applicable law.

2.0 No Lockouts: The District agrees that it shall not engage in a lockout of unit members during the term of this Agreement. The term "lockout" is intended to cover a situation where the employer refuses to permit employees to work in an effort to obtain bargaining concessions from the Union.

3.0 Disputes arising under this Article are to be handled according to appropriate legal proceedings rather than the grievance procedures of Article V.

ARTICLE VII

NON-DISCRIMINATION

1.0 Pursuant to applicable Federal and State laws, the District and the Union agree not to discriminate against any employee based upon race, color, creed, national origin, gender, age, physical disability, mental disability, medical condition, sexual orientation, marital status, or union affiliation.

2.0 Employees may grieve alleged violations of this Article through Steps I, II, and III of the grievance procedures of Article V (Grievance Procedure). Any such grievance may, at the Union's request, then proceed to arbitration pursuant to Article V (Grievance Procedure), Sections 11.0 through 16.0 upon execution of a separate written agreement by the individual grievant to be bound by the arbitration award as a final and binding resolution of the dispute. If the employee does not want to use the grievance procedure, the employee may process any claimed violations through the appropriate statutory procedures or through the District's Equal Opportunity Section.

ARTICLE VIII

UNION SECURITY AND DUES DEDUCTION

1.0 Voluntary Authorization: The District shall deduct Union membership dues for each pay period worked in the amount specified by the Union from the salary of each employee who has submitted a written authorization.

2.0 Exclusive to Union: Payroll deductions for membership dues from employees shall be exclusive on behalf of the Union and no membership dues deductions are to be made on behalf of any other employee organization as defined in Government Code Section 3540.1(d).

3.0 Remittance to Union: A deposit approximating the amount of dues so deducted shall be remitted to the Union on payday, and the reconciled amount will be supplied to the Union within thirty (30) days after the deductions are made, together with a list of affected employees.

4.0 Dues Deductions: In instances where dues deduction is not taken from an employee who has a valid authorization form on file, the missed deductions(s) will be taken from subsequent salary payment and remitted to the Union.

5.0 A dues deduction may only be revoked by an employee in writing during the thirty (30) day period commencing ninety (90) days before the expiration of the Agreement and/or upon expiration of the Agreement. The dues deduction shall automatically terminate if an employee terminates employment or otherwise ceases to be a member of the bargaining unit.

6.0 Agency Fee Obligation: Those employees who are currently members of the Union, and who have a dues deduction in effect, shall continue to have such dues deducted from their salary payments. Commencing within thirty (30) days of a final certification of agency fee election results or within thirty (30) days of an employee's initial employment, whichever is later, and continuing throughout the term of this Agreement, each employee (as defined in Article I [Recognition] of this Agreement) is required as a condition of continued employment either: (a) to be a member in good standing of the Union, or (b) to satisfy the agency fee financial obligations set forth in Section 6.1 below, unless qualified for religious exemption as set forth in Section 6.2 below.

6.1 Unless the employee has (a) voluntarily submitted to the District an effective dues deduction request, or (b) individually made direct financial arrangements satisfactory to the Union as evidenced by notice of same by the Union to the District, or (c) qualified for exemption based upon religious

Article VIII - Union Security and Dues Deduction

grounds as provided in Section 6.2 below, the District shall process a mandatory agency fee payroll deduction in the appropriate amount, and forward that amount to the Union. The amount of agency fee to be charged shall be determined by the Union subject to applicable law: it shall therefore be an amount not to exceed the normal periodic membership dues, initiation fee and general assessments applicable to Union members. As to non-members who object to the fee and general assessment applicable to the Union spending their agency fee on matters unrelated to collective bargaining and contract administration, the amount of agency fee charged shall not reflect expenditures which the courts or PERB have determined to be non-chargeable, including political contributions to candidates and parties, members-only benefits, charitable contributions and ideological expenditures and to the extent provided by law, shall not reflect expenditures for certain aspects of lobbying, ballot measures, publications, organizing and litigation.

The Union shall comply with applicable law regarding disclosure and allocation of its expenses, notice to employees of their right to object, provision for agency fee payers to challenge the Union determinations of amounts chargeable to the objecting non-members, and appropriate escrow provisions to hold contested amounts while the challenges are underway. The foregoing description of permissible agency fee charges and related procedures is included herein for informational purposes as a statement of applicable law, and is not intended to change applicable law or to provide any contractual terms or enforcement procedures under this Agreement. The District will promptly remit to the Union all monies deducted, accompanied by a list of employees for whom such deductions have been made.

6.2 Religious Exemption from Agency Fee Obligations:

a. Any employee who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to meet the above agency fee obligations, but shall pay in lieu thereof (by means of mandatory payroll deduction) an amount equal to the agency fee, to a non-religious, non-labor charitable organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, as designated by the employee. Board of Education approved examples of such organizations are:

Brotherhood Crusade
United Negro College Fund
United Way

b. To qualify for the religious exemptions, the employee must provide to the District, with a copy to the Union a written statement of objection, along with verifiable evidence of membership in a religious body as described in Section "a" above.

c. An employee utilizing this religious exemption status who requests the Union to utilize the grievance/arbitration provisions on the employee's behalf, shall be subject to charges by the Union for the reasonable cost of using such procedures.

Article VIII - Union Security and Dues Deduction

6.3 Implementation Dates: Any of the above-described payment obligations applicable to employees shall be processed by the District with the payroll immediately following the effective date of the payment requirement provided that the information is on file with the Payroll Branch by the deadline for filing time reports.

6.4 Indemnity/Hold-Harmless: The Union agrees to indemnify and hold the District harmless against any and all liabilities (including reasonable and necessary costs of litigation) arising from any and all claims, demands, suits, or other actions relating to the District's compliance or attempted compliance with either this Article or the requests of the Union pursuant to this Article, or relating to the conduct of the Union in administering this Article. The Union shall have the right to determine and decide all matters relating to settlement and conduct of litigation with respect to this Article. In no case shall District funds be involved in any remedy relating to this Article. Any underpayments to the Union resulting from the District's failure to make a required deduction shall be remedied by additional deductions from the affected employee(s).

Any overpayments to the Union resulting from excessive deductions shall be remedied either by refund from the Union to the affected employee(s) or by a credit against future payments by the affected employee(s).

6.5 The District will furnish any information needed by the Union to fulfill the provisions of this Article.

6.6 The District shall deduct agency fees for twelve (12) pay periods.

ARTICLE IX

HOURS OF WORK

1.0 General Provisions: All employees are expected to be on duty at their assigned locations on time and to remain on duty until the end of their workday.

1.1 Workyear: A "workyear" shall be determined by the District in accordance with the Assignment Bases established in Board Rule 1990. The District reserves the right to add new bases or modify existing bases to meet the operational needs of the District.

1.2 Workweek: A "workweek" shall consist of forty (40) hours within a fixed and regularly recurring seven (7) consecutive day period.

1.3 Workday: A "workday" shall mean any regularly assigned work period within a fixed twenty-four (24) hour period. A regular workday for a unit member generally may be either ten (10) hours exclusive of a meal period, in which case the regular workweek shall consist of four (4) workdays (as to employees assigned to off-hour patrol, the four (4) workdays will be consecutive), or eight (8) hours exclusive of a meal period, in which case the regular workweek shall consist of five (5) consecutive workdays. Periodically, the District may assign employees to shifts of varying lengths. Certain benefits such as holidays and bereavement leave shall be granted on a properly pro-rated basis so as not to advantage or disadvantage such employees in relation to other employees assigned the same number of hours per week.

1.4 For the purpose of computing hours worked, time during which an employee is excused from work but remains in paid status, e.g. because of holidays, vacation, or paid leaves of absence, shall be considered as time worked by the employee.

1.5 Prior to any substantial change of a permanent nature that affects an employee's work week or group of employees' work week, daily hours of work, and/or work shift, the employee(s) involved shall be given reasonable advance notification. The Union shall be advised and provided an opportunity to consult with the District regarding such a substantial change for a group of employees. (However, these consultation rights shall not operate to stop or stay the change during such consultation.)

2.0 Overtime: Overtime applies to employees in this unit employed in classifications which are not designated by the Personnel Commission in Rule 596 as executive/administrative. Employees employed in classifications which are not entitled to receive overtime, i.e., employees employed in classifications designated as executive/ administrative in Personnel Commission Rule 596, shall earn vacation credit at the rate of .09232 hours of credit for each hour for which pay is received, in an amount not to exceed one hundred ninety two (192) hours [or twenty-four (24) days] per year. This accrual rate shall supersede (not be added to) the accrual rates set forth in Article XVII, (Vacation) Section 1.1 for those employees employed in such overtime exempt

Article IX – Hours of Work

classifications. Overtime must be approved in advance by the employee's direct supervisor or designee and (except in exceptional and unusual circumstances) confirmed in writing by the appropriate administrator or designee. An employee who works overtime without such approval shall not be compensated for such work. Overtime eligible employees shall not be disciplined for requesting overtime approval prior to working overtime or for requesting payment for pre-approved overtime.

2.1 To the extent practicable, the District shall use reasonable efforts to distribute overtime work equitably among the qualified employees of an office, operational unit, or work group with consideration given to District need and employee availability in making the distribution. Upon reasonable notice, an employee shall be required to work overtime as needed. Reasonable notice shall be deemed to be no less than twelve (12) hours in advance except in cases of emergency or when necessary to meet unanticipated peak work loads.

2.2 One-and-one-half (1½) times the employee's regular rate of pay shall be paid to the employee for actual hours worked under the following circumstances:

a. For all hours worked in excess of forty (40) hours in any workweek, and for all hours worked in excess of a regular "workday" as defined in the second sentence of Section 1.3 of this Article.

b. When the employee is called back to duty after completion of his/her regularly scheduled assignment and after leaving the work location, or the employee is called back on his/her regularly scheduled day off provided, however, that an employee on call back shall receive a minimum of two (2) hours call back pay at his/her overtime rate.

c. For all hours worked on a day recognized as a holiday under this Agreement in addition to holiday pay under Article XVI.

3.0 Unpaid, Duty-Free Time: Employees who are overtime eligible and who have an on-site obligation which includes unpaid time each day shall be entitled to duty free time during that unpaid period. This unpaid time shall be scheduled in consultation with the direct supervisor and, except in unusual and infrequent circumstances pre-approved by the direct supervisor, the unpaid time shall not be taken during the first or last hour of the assignment. Employees who are prevented from taking this unpaid time and who are required to perform work duties during that time may complete this unpaid time later that same day (scheduled in accordance with the direct supervisor). All on-duty time shall be counted as time worked and be compensated in accordance with this Article and state and federal laws. If, due to unusual circumstances and after pre-approval by the employee's direct supervisor, the unpaid time is scheduled immediately prior to the end of the employee's work day, then the employee shall be free to leave the work site without penalty.

Article IX – Hours of Work

3.1 The duty-free unpaid period shall not be extended for the purpose of lengthening the employee's work day without incurring overtime, nor shall the employee be required to take a duty-free period longer than one (1) hour.

4.0 Compensatory Time

a. At the discretion of the District, compensatory time off may be granted in lieu of overtime pay at the rate of one-and-one-half (1½) hours for each overtime hour worked, provided that such time off is taken within the time period allowed by applicable State and Federal law.

b. For sworn personnel only, one hundred thirty (130) hours of overtime each annual period beginning July 1 and ending June 30 of the following year, shall be allowed as compensatory time off at the rate of each hour of overtime equaling one and one-half (1½) hours regular time off, provided, however, that employees who do not want compensatory time off may elect to receive regular overtime pay. The maximum number of overtime hours which can be earned as compensatory time off shall be one hundred thirty (130) hours in any one annual period. Employees shall be allowed to use earned compensatory time off in conjunction with scheduled vacations, holidays, or at other times where such use would not unduly disrupt work schedules. However, the District retains the right to schedule the use of compensatory time off so as not to interfere with the operation of the work unit. Granting and/or scheduling use of compensatory time off shall not be done on an arbitrary or discriminatory basis. Any compensatory time accrued but unused during each annual period shall be paid to the employee as a cash payment (subject to the legally required deductions and not less than the hourly rate at which earned) following the end of each annual period, upon leaving a bargaining unit class, or upon retirement or separation from District employment if earlier. Such cash payment shall be at the hourly rate in effect during the pay period in which it is paid. If the employee promotes out of the bargaining unit, the cash payment will be paid at the rate of the bargaining unit position last occupied. End-of-year cash payments of earned compensatory time off shall be made in the October pay period.

5.0 Court Time: Employees required to attend court in connection with the employee's duties during non-duty time shall receive a minimum of four (4) hours pay at the employee's overtime rate, or pay at the employee's overtime rate for all hours spent in court, whichever is greater.

6.0 Stand-by Time: A stand-by assignment is when an employee is assigned by an authorized supervisor or his designee to be available for a work assignment or court appearance on an on-call basis during a specified off-duty period of time. Employees placed on stand-by must be able to be reached at any time during the stand-by period at a designated telephone number. An employee placed on stand-by shall be paid a minimum of two (2) hours at his/her overtime rate for each eight (8) hours of stand-by time. In lieu of a stand-by

Article IX – Hours of Work

assignment and subject to the approval of the Chief or his designee, the employee may request and be assigned to a full shift of duty.

7.0 Training: The District shall make available to unit employees information regarding training, seminars, P.O.S.T. reimbursable classes and other training or educational opportunities that will assist such employees in the performance of their assigned duties.

8.0 Firearm Qualification: Sworn employees who are unable to complete firearm qualification during on-duty time due to shift limitations shall, with prior authorization, be paid overtime on an hour-for-hour basis not to exceed two (2) hours in order to complete the qualification.

ARTICLE X

EVALUATION PROCEDURES

1.0 Schedule: Employees shall be evaluated in accordance with the following schedule provided, however, that nothing contained in this Article shall apply to evaluations which take place during and relating to an employee's training.

a. Probationary employees shall be given a performance evaluation no less than twice during their probationary period. However, if during the probationary period any items on the evaluation form are rated unsatisfactory, then the employee may be evaluated every month during the remainder of the probationary period.

b. Permanent employees shall be given performance evaluations at least once every year.

2.0 Procedure to be followed: Performance evaluation reports shall be made on forms prescribed by the District or may be done by separate memorandum.

2.1 Evaluations shall be based on observations or knowledge during the evaluation period and not upon unsubstantiated charges or rumors. Unit members' attendance shall be evaluated on the District's evaluation form in the same manner as other classified employees. In addition, no evaluation shall be based upon derogatory materials in the employee's personnel file unless the employee has previously been given prior notice of same, an opportunity to review and comment upon it, and had such comments attached to the materials.

2.2 The first-level evaluator shall discuss the written performance evaluation report with the employee. Both the immediate supervisor and the employee will sign the evaluation. Signature of the employee means only that the employee has received a copy of the evaluation. Employees may attach any written comments to the evaluation at their option if submitted within thirty (30) days of the date of employee receipt. Copies of the evaluation together with any attachments will then be distributed as follows: one copy to the employee, one copy to the personnel file, and one copy to the evaluator.

2.3 If any category on the performance report is rated lower than "meets standards," the following will be included on the evaluation:

- a. Statement of the problem or concern,
- b. The desired improvement,
- c. Suggestions as to how to improve, and
- d. Provisions for assisting the employee

Article X - Evaluation Procedures

3.0 Appeal: If the employee disagrees with the evaluation, the employee shall have the right to obtain a review (in the form of a formal meeting, if requested) of the evaluation by the Chief Officer or designee (a Deputy Chief not involved in the evaluation) by submitting a request in writing within ten (10) days of the receipt of the evaluation. An employee may, within five (5) days of the response, appeal the decision of the Chief Officer (or designee) to the Chief Operating Officer whose decision shall be final.

4.0 A formal grievance concerning a Notice of Unsatisfactory Service or Act that does not recommend disciplinary action filed under Article V (Grievance Procedure) shall be limited to a claim that the procedures in Sections 2.1 and 2.2 above, have not been followed.

5.0 No grievance arising under this Article shall challenge the substantive objectives, standards, or criteria determined by the evaluator or the District, nor shall it contest the judgment of the evaluator. Grievances concerning evaluations shall be limited to a claim that the procedures of this Article have not been followed.

6.0 Summaries of Conference: A summary of conference is a written record briefly outlining a discussion/conference prepared after a face-to-face meeting or a telephone discussion between the employee and the supervisor.

A summary of a conference will not be maintained in central District personnel files and will only be maintained by the Department. Employees shall be allowed to attach a written response to a summary of conference. Employees shall be permitted to appeal a summary of conference to the Chief of Police (or designee) whose decision shall be final, subject to applicable law. Any existing or future summary of conference for which there is no repetition of the concern, event, conduct or incident which gave rise to the summary of conference, except those relating to serious misconduct such as theft, substance abuse, or violence, shall be void after three (3) years from the date of issuance and upon request of the employee, such summaries of conference shall be removed from the Department's file.

6.1 Employee Comment Sheet: An Employee Comment Sheet is a written record about work performance. It will not be maintained in central District personnel files and will only be maintained by the Department. Employees shall be allowed to attach a written response to an Employee Comment Sheet. Employee Comment Sheets shall be void one (1) year after the end of the fiscal year in which the Employee Comment Sheet was issued.

7.0 File Review: Nothing contained in this Article X will limit an employee's right, to the extent provided by applicable law, to inspect his/her personnel file.

Article X - Evaluation Procedures

8.0 Pre-Disiplinary Procedures: Prior to the imposition of disciplinary action against a permanent, non-probationary employee that may result in suspension, demotion, or dismissal, the responsible supervisor or designee shall advise the employee that such action may be taken, and that a meeting will be held to discuss the matter, at which time the employee shall be entitled to be accompanied by a Union representative in accordance with the provisions of California Government Code Section 3303. Release time for such representation shall not be provided, unless required by applicable statute. Nonavailability of the employee or representative for more than a reasonable time shall not delay appropriate action, if any. This right shall not extend to routine conferences, or any other meetings or to any conferences conducted under the evaluation procedures of Article X.

9.0 Notice of Unsatisfactory Service or Act: An employee who disagrees with a Notice of Unsatisfactory Service or Act issued to him/her that does not recommend disciplinary action shall have the same appeal rights as outlined in Article X, Section 3.0. If the employee is dissatisfied with the decision of the Superintendent or designee, the employee may appeal that decision to a hearing officer provided by the Personnel Commission by submitting a written request within five (5) days of the response. The hearing officer shall issue a final and binding bench decision, and at the option of the employee or the District, prepare a brief summary of his/her findings and conclusions. The losing party shall pay the cost of the hearing officer's services.

ARTICLE XI

TRANSFER PROCEDURES

1.0 For the purpose of this Article, "transfer" means a permanent change of work location or a permanent change in assignment of an employee without a change of classification.

2.0 Involuntary Transfers: An involuntary transfer of an employee is one instituted by the District. Involuntary transfers may occur at any time at the discretion of the District only after the approval of the Chief of Police or his designee. Involuntary transfers will not be made solely for disciplinary reasons. Routine transfers made in circumstances including, but not limited to, the following are deemed to not be for disciplinary reasons: Transfers due to rotation of personnel, assignments to vacancies created by other voluntary or involuntary transfers, assignments to vacancies created by leaves or separations from the District, and to a different assignment following return from a leave.

2.1 Any employee who is involuntarily transferred shall be entitled to a statement of the reason(s) for the transfer upon written request to the Chief of Police made within five (5) days of the effective date of the transfer.

2.2 Except for involuntary transfers which are claimed to be solely for disciplinary reasons as described above, and which are subject to the grievance and arbitration provisions of Article V, the decision of the Chief Operating Officer or his/her designee shall be final in all involuntary transfers.

3.0 Voluntary Transfer:

a. When an employee desires a transfer, the employee must fill out the appropriate District form and submit it to the appropriate Deputy Chief of Police for approval. The employee's transfer request may be submitted directly to the Deputy Chief of Police who shall then cause the request to be commented upon by the supervisors of the requesting officer.

b. When a vacancy occurs, the employee's request will be submitted to the Deputy Chief of Police with the responsibility where the vacancy exists.

c. The Department shall post any known anticipated vacancy that it is aware of more than one month in advance of the vacancy. A copy of such known vacancies shall be transmitted to the Union for distribution to interested Unit members.

d. The Deputy Chief of Police may, within his/her discretion, either approve or reject the transfer. However, seniority shall be one factor used in the decision by the Deputy Chief of Police. In those

Article XI - Transfer Procedures

situations in which the Deputy Chief of Police determines, at his or her sole discretion, that all other factors are equal between applicants for the vacancy, classification seniority within the Department shall be the tie-breaker, with the most senior employee receiving the transfer. The District shall send to the Union, at the Union office, a monthly roster of all assignments within the School Police Department.

e. For transfers rejected during the school year, upon written request within fifteen (15) days by the employee rejected, the Deputy Chief of Police shall state the specific reason(s) for the rejection in writing to the Chief of Police who will render a final decision, and upon written request by the employee, the Chief of Police shall provide written reason(s) for the employee's rejection. An employee's transfer request shall remain on file from July 1 through June 30, or until he/she obtains an approved transfer, withdraws the transfer request or terminates employment. An offer of transfer to a requested assignment, including to or from patrol, may not be declined unless the employee has previously withdrawn the request in writing.

f. The Union will be notified in writing (either by U.S. mail or facsimile) of all transfers under Section 3.0 within three (3) working days of the affected employee being notified.

ARTICLE XII

SUBCONTRACTING

During the life of this Agreement, the District shall not subcontract or contract out for services or work currently performed by employees in this bargaining unit except in compliance with state law.

ARTICLE XIII

LEAVES OF ABSENCE

1.0 "Leave of Absence" Defined: Probationary and permanent employees shall be eligible for certain paid and unpaid leaves of absence. A "leave of absence" is an authorized absence from active service granted to probationary or permanent employees, for a specified purpose and period of time, with the right to return to active service unless the employee's service would otherwise have been terminated. Leaves are either "permissive" or "mandatory." As to permissive leaves, the term "may" is used and the District retains discretion as to whether they are to be granted and as to the starting and ending dates of the leave. As to mandatory leaves, the term "shall" is used and the District has no discretion as to whether the leave is to be granted to a qualified employee.

2.0 Rights Upon Return: Any employee returning from a leave of forty-five (45) calendar days or less will be returned to the location from which the leave was taken except that the employee may be transferred pursuant to Article XI (Transfer Procedures), if such a transfer would have been made if the employee had been on duty. An employee who returns from leave after the 45 day period shall be considered for return to the location, including patrol, from which the leave was taken if at the time of return there is a vacancy at that location. If not returned to the existing vacancy, the employee shall be entitled to the statement of reasons pursuant to Section 2.1 of Article XI.

3.0 Restrictions: An unpaid leave of absence may not be converted to a paid leave of absence, except in the case of pregnancy disability as provided in Section 9.2 of this Article.

4.0 Application: Applications for permissive leaves of absence must be submitted on or before the dates established by this Article. Exceptions may be made in the sole discretion of the District.

5.0 Notification Requirements: Unless otherwise provided in this Article, an employee who intends to be absent for twenty (20) working days or less must make every reasonable effort to notify the appropriate supervisor or administrator the day prior to the beginning of the absence. All employees returning to service must notify the appropriate supervisor or administrator at least one hour before the end of the regular working day on the day before the day of anticipated return. If such notification is not given and both the employee and substitute report for duty, it is only the substitute who is entitled to work and be paid.

5.1 All employees returning to service must notify the appropriate supervisor, administrator or designee at least one hour before the end of the regular working day prior to the day of anticipated return. Such notice is not given and both the employee and a substitute report for duty, only the substitute is entitled to work and to be paid for that day.

Article XIII - Leaves of Absence

6.0 Cancellation of or Early Return From Leave: A request by an employee for cancellation of or early return from a leave once commenced or for cancellation of a request for a leave shall be granted unless another employee has been assigned to fill the employee's position at the site. Exceptions may be made in the sole discretion of the District.

7.0 Expiration of Leave: Except in the case of illness leave or industrial injury leave, or as otherwise provided in this Article, twenty (20) days before the expiration of a leave for ninety (90) days or more, the employee must, upon reasonable notice from the District, notify the Employment Transaction Services Branch of his or her intention to return or request an extension of leave, if eligible. Failure to give such notice shall be considered abandonment of position and resignation from service.

8.0 Bereavement Leave (Paid): An employee is entitled to a paid leave of absence from the District, not to exceed three days, on account of the death of a member of the employee's immediate family provided acceptable proof of death and relationship is provided and the leave of absence commences within ten (10) calendar days of the death. If more than one such death occurs simultaneously, the leave may be taken consecutively. If out-of-state travel is required and requested, an additional two (2) days shall be granted. The immediate family is defined as the parents, grandparents, or grandchild of the employee or of the employee's spouse, and the spouse, child, brother, sister, daughter-in-law, or son-in-law of the employee, or any relative living in the immediate household of the employee. Nothing contained herein shall be deemed to provide a paid leave of absence, including absence for out-of-state travel, that exceeds forty (40) hours.

9.0 Pregnancy and Related Disability Leave (Paid and Unpaid):

9.1 Paid Disability Leave Absence: For that period of time during which the employee is physically disabled and unable to perform her regular duties due to pregnancy, miscarriage, childbirth and recovery therefrom, she shall be permitted to utilize her illness absence pursuant to Section 11.0 of this Article.

9.2 Physician Certifications: A pregnant employee shall be permitted to continue on active duty until such date as she and her physician determine that she must absent herself due to pregnancy disability, provided that she can and does continue to perform the full duties and responsibilities of her position. The employee must also supply to the District her physician's certification as to the beginning and ending dates of actual pregnancy-related disability for which paid illness absence is claimed and her physician's release to return to active duty.

9.3 Optional Unpaid Portion: A pregnant employee in active status shall, upon request, be granted an unpaid pregnancy leave prior to the period of actual disability, and still qualify for paid absence during the initial

Article XIII - Leaves of Absence

disability. This is the only exception to the general rule that paid leaves may only be taken from active status.

9.4 Nothing contained in Section 9.0 shall limit an employee's rights under applicable law with respect to reasonable accommodation or otherwise.

10.0 Child Care Leave (Unpaid): An unpaid leave may be granted to a permanent employee to care for such employee's own (including adopted) child of under three (3) years of age. The leave, together with any renewal thereof, shall not exceed thirty-nine (39) calendar months in duration.

11.0 Illness Leave (Paid): An employee shall be granted a leave of absence because of illness, or injury, or quarantine of the employee.

11.1 Each employee shall accrue 0.05 hour of full-pay illness absence credit for each hour for which salary is received, excluding overtime.

11.2 At the beginning of the first pay period of each fiscal year upon initial regular appointment, reemployment or reinstatement, each active employee who had accrued fewer than the number of full-pay illness absence hours equivalent to 100 days shall be credited with the number of half-pay illness absence days which, when added to the accrued full pay illness absence days, equals the equivalent of one hundred (100) days of full and half-pay illness absence days.

11.3 At the beginning of the first pay period of each fiscal year, upon initial regular appointment, reemployment or reinstatement, each active employee shall receive credit for full-pay illness leave of absence up to thirteen (13) days (pro-rated for those employed for less than a full school year) prior to accrual. However, an employee who uses such a credit prior to actual accrual shall not accrue or be credited with additional leave until the negative balance has been restored. If an employee is paid for more than the illness absences to which entitled, or terminates employment prior to accruing leave taken in advance, the employee shall be required to refund to the District the salary to which not entitled. This requirement shall be waived in the event of the employee's death or physical or mental disability which precludes the employee from returning to District employment.

11.4 Unused full-pay illness absence credit shall be cumulative from year to year without limitation. Half-pay illness credit shall not be cumulative from year to year.

11.5 When a permanent employee is absent under this Section and such absence is properly verified, the employee will receive his/her full normal pay up to the total of the employee's full-pay illness benefits. Full-pay illness benefits shall be used before available half-pay benefits may be used. Additional days of illness absence will be at half-pay up to the total of half-pay

Article XIII - Leaves of Absence

days credited, if available, unless the employee requests use of any accrued vacation which he/she may have. The amount of illness absence taken in any pay period shall not be in excess of the illness absence accumulated by the close of the pay period immediately preceding the illness absence, except as provided in Section 11.3. An employee serving an initial probationary period must render service and shall not be eligible to be paid for more than the equivalent of six (6) days of full-pay illness leave until the first day of the pay period after completion of 130 days of paid service in regular assignment. Half-pay illness leave shall not be paid during this time. When all paid leaves of absence have been exhausted, an employee who is unable to assume the duties of his/her position shall be placed on a reemployment list for a period of thirty-nine (39) months as if he/she were being laid off. An employee on a reemployment list shall have the same rights and benefits as an employee laid off for lack of work or lack of funds.

11.6 An employee who is absent shall be required to certify the reason for absence. Also, the District shall have the authority to use whatever means are reasonably necessary to verify any claimed illness, injury, or disability under this Section before authorizing any compensation.

11.7 An employee absent from duty for any illness, injury, or surgery for more than five (5) consecutive working days shall be required to submit a signed completed Attending Physicians Statement health form to the immediate administrator and may be readmitted to service at the discretion of the immediate administrator and may be referred by the District for health approval prior to readmission. If an employee returns with a signed completed Attending Physician's Statement and is referred by the District for the health approval prior to readmission, the employee will be placed on light duty until the first available appointment with the District's doctor, unless the District deems the employee's condition is such that it would preclude either light duty or readmission (in which event the employee will be placed on miscellaneous paid absence until the first available appointment with the District's doctor.)

11.8 If a permanent employee resigns and returns within thirty-nine (39) months of the last date of paid service to permanent status, the number of hours for which the employee was entitled to full-pay illness absence shall be restored, unless such had been transferred to another agency or used in the computation of retirement allowance.

11.9 An employee absent under this Section shall provide the District with one or more contact numbers (e.g., telephone, cell phone, and/or pager) where the employee, during District business hours, can be reached or where a message can be left which the employee will promptly return.

12.0 Industrial Injury/Illness Leave (Paid): An employee who is absent from District service because of an injury or illness which arose out of and in the course of employment, and for which temporary disability benefits are received under the worker's compensation laws, shall be entitled to a paid leave of absence under the following conditions:

Article XIII - Leaves of Absence

- a. Allowable paid leave of absence shall be for up to sixty (60) working days for the same injury or illness;
- b. Allowable paid leave of absence shall not be accumulated from year to year;
- c. An employee absent under this Section shall be entitled to receive such portion of the salary due for any period in which the absence occurs as, when added to the temporary disability indemnity, if any, required under State law, will result in a payment of not more than the employee's salary as of the date of injury or illness;
- d. When an authorized leave of absence continues into the next fiscal year the employee shall be entitled to only the amount of unused leave of absence due for the same illness or injury; and
- e. Each employee who has received work-related injury or illness which requires medical attention or absence from work for more than the day of the occurrence, must complete a written report on a form to be provided by the District. This written report must be submitted to the immediate administrator within two (2) working days after the occurrence if the employee is physically able to do so. The site administrator shall, as a result of his/her own investigation, complete the Employer's Report of Occupational Injury or Illness, and shall attach the employee's report thereto. The employee must also report as soon as possible for examination and treatment by a physician who is on the District's Emergency Medical Panel.

12.1 Extension of Industrial Injury Leave:

- a. If the employee was physically injured during an act or acts of violence related to and during the performance of assigned duties, the leave of absence may be extended beyond the initial sixty (60) day period up to an additional 150 days. In order to qualify for such an extension, the employee must have (1) notified the site administrator and appropriate law enforcement authorities within twenty-four (24) hours of the incident if the employee was physically able to do so; (2) completed the employee's written report and reported for treatment as required in Section 12.0(e) above; (3) reported, as soon as it becomes evident that an extension is to be requested, for a District-approved physical examination and received approval as a result of such examination; and (4) applied in writing to the District for such an extension, using a District form. Such application should be filed with the immediate administrator as soon as the employee sees the need for such an extension, so that the District has adequate time to review and process the claim prior to the effective date of the leave extension. Determination whether the injury was the result of an act of violence, and whether the act of violence was related to and during the performance of duties, but not whether it is compensable under worker's

Article XIII - Leaves of Absence

compensation laws, shall be made by the immediate administrator. Determination whether the injury is disabling beyond the initial sixty (60) day period shall be made by the District. An employee may be required during the extended period to be evaluated by the District at any time.

b. For the purposes of Section 12.1 of this Article only “physically injured during an act or acts of violence” is defined as a physical injury suffered by unit member as a result of any of the following:

- (1) Physical injury suffered as a direct result of a physical altercation with a suspect;
- (2) Physical injury suffered as a direct result of an attempt to defend against a substantial threat of physical injury to the officer or a third party.
- (3) Physical injury suffered as a direct result of pursuing a fleeing criminal suspect or while actively responding to a crime or suspected crime in progress.

However, an act of violence will not be deemed to have occurred unless the unit member reports the incident to the unit member’s supervisor prior to the end of the shift on which the incident occurred.

12.2 Upon exhaustion of the above authorized industrial injury absence benefits, the employee shall be permitted to utilize accrued illness benefits or vacation benefits, if any. If the employee continues to receive temporary disability indemnity, the employee shall be paid for any illness and vacation benefits which, when added to the temporary disability indemnity, will result in a payment of not more than full normal salary.

12.3 An employee absent under this Section shall remain within the State of California unless the District authorizes travel outside the State.

12.4. An employee absent under this Section shall provide the District with one or more contact numbers (e.g., telephone, cell phone and/or pager) where the employee, during District business hours, can be reached or where a message can be left which the employee will return within the same day.

12.5 Nothing in this Section 12.0 shall be construed to limit the length of an eligible employee’s industrial disability leave otherwise required by applicable law.

13.0 Personal Necessity Leave (Paid): An employee shall, subject to the limits set forth below, be granted a paid personal necessity leave when the gravity of the situations described below require the personal attention of the employee during assigned hours of service:

 - (1) Each day of necessary attendance as litigant or as a witness under such an official governmental order must be certified to by the clerk or other authorized officer of a court or other governmental jurisdiction;
 - (2) In any case in which a witness fee is payable, such fee shall be collected by the employee and remitted to the Accounting and Disbursements Division; and
 - (3) The employee must return to work in cases where it is not necessary for him to be absent the entire day.
- i. Required attendance at employee's child's or ward's classroom and meeting with the school administrator because of suspension pursuant to Education Code Section 48900.1.
- j. Up to four hours of paid personal necessity leave (and up to thirty-six (36) additional hours of accrued vacation or unpaid leave) not to exceed a total of eight (8) hours per calendar month, forty (40) hours per school year for attendance at the school of the employee's own child,

Article XIII - Leaves of Absence

ward, or grandchild for purposes of a school activities leave provided by Section 230.8 of the Labor Code. The employee must notify the appropriate administrator or designee at least five working days prior to the absence. The administrator or designee and employee must agree on the date and time of the leave, and the employee must provide written verification from the school visited upon request of the administrator or designee.

k. An employee shall be allowed up to six additional days of personal necessity leave in any calendar year to attend to the illness of a child, parent or spouse of the employee as provided by Section 233 of the Labor Code. All existing contractual conditions for the use of illness leave shall apply to this leave as well. Use of illness leave under this Section 13.0 shall not extend the maximum period of leave to which an employee is entitled under Section 20.0, Family Care and Medical Leave, of this Article.

13.1 The following limits and conditions are placed upon allowing a personal leave or absence:

a. Except as provided in Section 13.0 j above, the total number of days allowed for such leave shall not exceed six (6) days per fiscal year;

b. The days allowed shall be deducted from and may not exceed the number of full-pay days of accrued illness leave to which the employee is entitled;

c. The personal necessity leave shall not be granted during a strike, demonstration, or any work stoppage; and

d. Written request on the appropriate form shall be filed with the appropriate administrator no less than five (5) working days in advance of a religious holiday or court appearance.

e. The employee shall be required to verify the nature of such necessity. The immediate supervisor shall take whatever steps are reasonably necessary to become satisfied that a personal necessity within the limits of this Section did exist.

14.0 Personal Leave (Unpaid): An unpaid leave may, in the discretion of the District, be granted to a permanent employee for a period not to exceed fifty-two (52) consecutive calendar weeks, except as provided below, for a specific personal reason satisfactory to the District, including but not limited to the following:

a. To be with a member of the immediate family who is ill;

Article XIII - Leaves of Absence

- c. To rest, subject to the approval by the District;
- d. To remain with spouse if a change of residence is required;
- e. To pursue a program of study in residence in an approved institution of higher learning or under a fellowship foundation approved by the State Board of Education;

14.1 Applications must be filed with the Classified Personnel Assignments Office and are subject to cancellation in the event of layoff.

15.0 Government Order Leaves (Commissions, Military, Witness, and Jury Service):

15.1 Paid leave of absence shall be granted for service on a Commission on Professional Competence established pursuant to the Education Code.

15.2 An appropriate military leave of absence shall be granted to any qualified employee in accordance with the provisions of the Education Code and Military and Veterans Code.

15.3 A paid leave of absence shall be granted to allow an employee to appear, in response to a subpoena duly served, (a) in a case before a grand jury; (b) in a criminal case before a court within the State; or (c) in a civil case in a court within the county in which the employee resides or outside of said county if within 150 miles of place of residence. Such paid leave shall not be granted, however, in any case or proceeding in which the employee is a litigant or in any case or proceeding for which the employee is required to appear as a result of or in any way connected with his/her employment by an employer other than the District. Leave may be granted for the days of attendance in court as certified by the clerk or other authorized officer of such court or grand jury or by the attorney for the litigant in the case. In any case in which witness fees are payable, such fees shall be collected by the employee and remitted to the Accounting and Disbursements Division.

Article XIII - Leaves of Absence

15.4 Jury Duty Leave (paid): A paid leave of absence shall be granted to any employee required to render jury service in any court within the State so long as such leave would not disrupt District operations in the employee's organizational unit. An employee shall provide to his/her supervisor no less than five (5) working days notice of a summons to jury service. However, if the summons to the employee does not allow for at least five (5) working days' notice, the employee shall notify his/her supervisor immediately upon receipt of the summons. All jury fees received shall be remitted to the Accounting and Disbursements Division.

16.0 Conference and Convention Attendance: A paid leave may, in the discretion of the District and upon the recommendation of the appropriate division head, be granted for attendance at conferences and conventions sponsored by professional organizations which are approved by the appropriate administrator under all of the conditions noted below:

- a. The attendance leads directly to the professional growth of the employee and the improvement of the educational program of the District;
- b. The attendance does not result in unnecessary duplication of participation by District personnel; and
- c. The attendance does not necessitate the reimbursement of any expenses by the District to the employee.

16.1 A written or oral report of the conference may be requested by the appropriate administrator.

16.2 For conferences or conventions which are not permitted pursuant to the above, the District may authorize the employee to utilize personal necessity leave under Section 13.0 of this Article.

17.0 Miscellaneous Absences (Paid):

17.1 Examinations: Upon giving his/her immediate supervisor advance notice of not less than two (2) working days, an employee shall be permitted a paid absence to take an examination or participate in other District employment procedures during working hours.

17.2 A permanent employee shall be granted up to one (1) day per year with pay for the purpose of a comprehensive physical examination provided that verification of such an examination is submitted to the District.

17.3 An employee who is subpoenaed to be a witness in the appeal by another employee of a decision of the Workers' Compensation Appeals Board arranged by the District's Insurance Section may attend without loss of salary.

Article XIII - Leaves of Absence

18.0 Shift Change While On Leave: Employees assigned forty (40) hours per week to other than a five (5) day week (Monday-Friday), eight (8) hour shift shall be reassigned for time reporting purposes to a five (5) day week (Monday-Friday), eight (8) hour shift for the duration of any leave of absence of five (5) workdays or more.

19.0 A sworn employee involved in an incident in which the employee fires a weapon and, in so doing, injures another person shall either be placed on an administrative assignment until the District determines the employee is able to return to a regular assignment, or be authorized to utilize personal necessity leave under Section 13.0 of this Article provided the employee remains available to respond to an investigation of the incident.

19.1 Upon request, a sworn employee who is involved in a shooting where no one is injured shall be placed on administrative assignment until the District determines the employee is able to return to a regular assignment.

20.0 Family Care and Medical Leave: An unpaid Family Care and Medical Leave shall be granted, to the extent of and subject to the restrictions as set forth below, to an employee who has been employed for at least twelve (12) months and who has served for 1250 working hours during the twelve (12) months immediately preceding the effective date of the leave. For purposes of this Section, furlough days and hours or days worked during off-basis time shall count as "working hours". Family Care and Medical Leave absences of twenty (20) consecutive working days or less can be granted by the immediate administrator or designee. Leaves of twenty (20) or more consecutive working days can be granted only by submission of a formal leave application to the Employment Transaction Services Branch.

20.1 Definitions: For purposes of Family Care and Medical Leave, the following definitions shall apply: (1) "Child" means a biological, adopted or foster child; a stepchild; a legal ward; or a child of an employee standing "in loco parentis," such child being either under 18 years of age or an adult dependent who is incapable of self care due to a mental or physical disability. (2) "Spouse" means a husband or wife of an employee. (3) "Parent" means a biological, foster, or adoptive parent; a person who stood "in loco parentis" to the employee when the employee was a child; a stepparent; or a legal guardian; and does not include a parent-in-law. (4) "Family member" means "child", "spouse", or "parent" as defined above. (5) "Serious health condition" means an illness, injury, impairment, or other condition that involves either "in-patient care" or "continuing treatment". (6) "Inpatient care" means a stay in a hospital or other medical facility and includes any subsequent treatment in connection with inpatient care. (7) "Continuing treatment" means treatment by a "health care provider" that involves one or more of the following: (a) a period of incapacity of more than three (3) consecutive calendar days (as well as any subsequent treatment or period of incapacity relating to the same condition) that also involves either two (2) or more treatments by a "health care provider", or

Article XIII - Leaves of Absence

treatment by a "health care provider" on at least one (1) occasion that results in a regimen of continuing treatment under the supervision of a "health care provider"; (b) any period of incapacity due to pregnancy (including morning sickness); (c) any period of incapacity or treatment for an incapacity due to a chronic health condition that requires periodic visits for treatment, which continues over an extended period of time, and may cause episodic (i.e., a period of incapacity for less than three (3) days) rather than a continuing incapacity (such as asthma, diabetes, and migraine headaches); (d) a period of incapacity that is long-term due to a condition for which treatment may not be effective; and (e) any period of absence to receive multiple treatments, including treatment of a condition that would likely result in a period of incapacity for a period of more than three (3) days if not treated. (8) "Health care provider" means an individual holding either a physician's and surgeon's certificate or an osteopathic physician's and surgeon's certificate issued pursuant to Article 4 of Chapter 5 of Division 2 of the California Business and Professions Code, or any other individual duly licensed to practice medicine in another state or jurisdiction who directly treats or supervises the treatment of the serious health condition, or by any other person determined by the Secretary of Labor to be capable of providing health care services. The definition includes podiatrists, dentists, clinical psychologists, optometrists, chiropractors (limited in scope), nurse practitioners, nurse midwives, and certain Christian Science practitioners.

20.2 Reasons for Leave: Family Care and Medical Leave may be granted for reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee. If the leave is taken for any of these reasons, the leave must be concluded within twelve (12) months of the birth, the adoption, or the foster care placement of the child. In addition, leave may be granted because of the serious health condition of a child of the employee, the employee's own serious health condition, or the care of a parent or spouse who has a serious health condition.

20.3 Length of Leave: The leave, together with any renewal thereof, shall not exceed the number of days equivalent to a total of twelve (12) normally scheduled workweeks twelve (12) month period measured forward from the beginning date of the employee's first Family Care and Medical Leave, effective July 1, 2007. An employee will be entitled to 12 weeks of leave during the 12-month period beginning on the first date Family Care and Medical Leave is taken; the next 12-month period would begin the first time Family Care and Medical Leave is taken after completion of any previous 12-month period. For the period of time up to, and including June 30, 2007, the leave, together with any renewal thereof, shall not exceed the number of days equivalent to a total of twelve (12) normally scheduled workweeks in a fiscal year. An employee will retain the full benefit of 12 weeks of leave under whichever calculation method (either fiscal year, or 12-month period measured forward) affords the greatest benefit to the employee during a 60-day transition period. This transition period shall be from July 1, 2007 through August 31, 2007.

Article XIII - Leaves of Absence

Any leave an employee takes for the reasons specified in Section 20.2 above will be counted against the employee's annual leave entitlements under the federal Family and Medical Leave Act of 1993 and the California Family Rights Act of 1991, as amended. This leave runs concurrently with any other leave the District offers for which the employee is qualified. Leave caused by pregnancy, childbirth or related medical conditions under Section 9.0 of this Article is separate and apart from the provisions of Family Care and Medical Leave herein. Employees are entitled to the leave allowed under Section 9.0 and, in addition, up to the full twelve (12) weeks of Family Care and Medical Leave. However, leave taken either under this Section or under Section 9.0 above on account of pregnancy, childbirth, or related medical condition will be counted against the employee's annual leave entitlement under the federal Family and Medical Leave Act of 1993.

20.4 Intermittent Leave: The leave may be taken intermittently or on a reduced work schedule. If the leave is taken for reason of the birth, adoption, or foster care placement of a child of the employee, the basic minimum duration of the leave shall be two (2) weeks; however, the District shall grant the employee leave of less than two (2) weeks' duration on two (2) occasions. If the leave is taken for a serious health condition of the employee or of the employee's family member, leave may be taken intermittently or on a reduced schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. An employee may take such leave for as short a time as one (1) hour (can be less than one (1) hour, if necessary).

If an employee does take intermittent or a reduced-schedule leave that is foreseeable based on a planned medical treatment of the employee or the employee's family member or for the birth, adoption, or foster care placement of a child, the District has the right to transfer temporarily the employee to an available alternative position for which the employee is qualified and which better accommodates the recurring periods of leave during the duration of the intermittent or reduced-scheduled leave. The alternative position must have equivalent pay and benefits but does not have to have equivalent duties. The alternative position may include the altering of the employee's current job. The District may also transfer the employee to a part-time job with the same hourly rate of pay and benefits. Upon the conclusion of the intermittent or reduced-schedule leave, the District will place the employee in the same or equivalent job the employee had when the leave started.

20.5 Notification: If the need for the Family Care and Medical Leave is foreseeable more than thirty (30) calendar days prior to the employee's need for leave, the employee shall give at least thirty (30) days notice. If less than 30 days, the employee must provide the immediate supervisor with as much advance notice as possible but, at the least, within two (2) business days of learning of the need for the leave. These advance notice requirements shall not be applicable in the event of unforeseeable circumstances or emergencies. Whenever possible, if the need for leave is foreseeable due to a planned medical treatment or supervision, the employee must make a reasonable, good faith

Article XIII - Leaves of Absence

effort, subject to the approval of the employee's or family member's health care provider, to schedule the treatment or supervision to avoid disruption to the District's operations. In giving notice, the employee must include the qualifying event for which the leave is needed, e.g., birth of a child, serious health condition of parent, etc.

20.6 Medical Certification: For leaves to care for a child, spouse or parent who has a serious health condition, the employee must submit to the immediate administrator or, if applying for a formal leave must attach to the leave application, medical certification from the health care provider which includes: (1) the date, if known on which the serious health condition commenced; (2) the probable duration of the condition; (3) an estimate of the time that the health care provider believes the employee needs to care for the individual; and (4) a statement that the serious health condition warrants the participation of the employee to provide care. If the leave is for the serious health condition of the employee, the employee must submit to the immediate administrator and/or, if applying for a formal leave, must attach to the leave application, medical certification as specified in (1) and (2), above, plus a statement that, due to the serious health condition, the employee is unable to work at all or is unable to perform one or more of the essential functions of the employee's position. Medical certification must be submitted no later than fifteen (15) calendar days after the leave request has been made. If the deadline by which the employee is to submit the medical certification is after the leave has started, the employee will be considered to have taken Family Care and Medical Leave pending the District's receipt of the proper certification. However, if the employee fails to provide proper certification, the employee will be treated as if he or she did not qualify for, and thus never took, Family Care and Medical Leave, will be treated as if he or she sought a leave of absence under another provision of this Agreement, and will not be given the protections set forth in this Article.

In the case of leave due to a serious health condition of the employee, the District reserves the right to require, at its own expense, that the employee obtain the opinion of a second or even third health care provider designated by the District but not employed on a regular basis by the District. The second health care provider, if required, shall be selected by the District. The third health care provider, if necessary, shall be jointly approved by the District and the employee and this provider's opinion shall be binding. If the employee's leave has already begun during this medical review process, the employee will be considered to have taken Family Care and Medical Leave, pending the result of the examinations by the second and, if necessary, third health care provider. If additional leave beyond that provided in the certification is required, the employee must submit a new certification by the relevant health care provider.

20.7 Restrictions: In the event that parents who are both District employees each wish to take Family Care and Medical Leave for the birth, adoption, or foster care placement of their child, the combined total amount of leave that will be granted such employees will be twelve (12) workweeks during a 12-month period, as defined in Section 20.3 above. These employees will still be

Article XIII - Leaves of Absence

eligible to take the remainder of their individual twelve (12) workweek allotment for Family Care and Medical Leave for a purpose other than the birth, adoption or foster care placement of a child.

20.8 Compensation: The Family Care and Medical Leave shall be an unpaid leave. An employee who takes Family Care and Medical Leave and who has accrued vacation may elect, or the District may require, the employee to utilize vacation for this purpose, in lieu of unpaid status. An employee who takes leave for the employee's own serious health condition may elect, or the District may require, the employee to utilize accrued illness days for the leave. During the leave, the District will continue to provide the health benefits package, and maintain the District contribution obligation pursuant to Article ~~XIV~~ XV, Health and Welfare, during the Family Care and Medical Leave (except as provided below) to an employee who is otherwise eligible for health benefits. However, an employee who does not return from such leave, or who works less than thirty (30) days after returning from the leave (unless the employee retires within thirty (30) days after returning from leave) will be required to reimburse the District for the District's cost of providing the health benefits package. The District, however, will not provide such health benefits for an employee for any leave period beyond twelve (12) workweeks. Accordingly, if an employee combines pregnancy leave with a Family Care and Medical Leave, the employee will only be entitled to continued health benefits for the first twelve (12) workweeks of leave. Thereafter, the District will provide the employee with health benefits to the same extent and under the same conditions as it provides to employees on other, similar leaves of absence.

20.9 Seniority: Accrual of seniority credit for the period of Family Care and Medical Leave shall be in accordance with Personnel Commission Rule 740.

20.10 Certification to Return to Work: The provisions of Section 11.6 and 11.7 shall apply to employees returning to work from a Family Care and Medical Leave (absence) due to the employee's own serious health condition.

20.11 Early Return From Leave: If the amount of leave needed is actually less than initially requested, the employee must notify the District of such an occurrence. Once the employee provides such notification, the District must reinstate the employee to the same or equivalent.

ARTICLE XIV

WAGES AND SALARIES

1.0 The wages and salaries for Unit employees have been negotiated in good faith between the Los Angeles School Police Sergeants and Lieutenants Association and the District and shall be as set forth in Appendices A and B of this Agreement. The wages and salaries set forth in Appendices A and B are intended to, and do, meet any prevailing wage obligations which are or may be imposed upon the District.

ARTICLE XV

HEALTH AND WELFARE

1.0 District Contribution Obligations: (as to all eligible District personnel): The parties agree increases for benefited employees' health benefits costs represent an increase in employee compensation, and that such increased expenditure is an essential component of the 2006-2007 total compensation increase. The parties further agree:

- a. The projected cost of District contributions for all District employees for the 2007 calendar year is \$803.4 million.
- b. This cost represents up to a \$29.3 million increase over the maximum amount the parties agreed the District would budget for calendar year 2006 (\$774.1 million) for health and welfare benefits and a \$58.2 million increase over the estimated actual cost of benefits for calendar year 2006.
- c. Currently, a one percent (1%) compensation increase is approximately \$40 million for all District employees.
- d. It is jointly acknowledged and agreed that cost containment and related potential Plan changes must continue to be a high priority for the coming years.

1.1 The District shall fully fund the employee health and welfare benefits for calendar year 2007 by increasing its contractual contribution to cover the actual costs of the current plans, up to but not to exceed \$803.4 million, subject to fluctuation in participants as set forth herein. This \$803.4 million maximum contribution will not be increased in the future absent agreement by all parties reached through the negotiations process set forth in this Agreement, including but not limited to section 2.1 of this Article. All negotiated agreements between the District and all unions/associations shall be modified to establish the negotiations process, as set forth herein, as the exclusive forum in which the subject of health and welfare costs are discussed, following Health Benefits Committee (hereafter "HBC") discussion and recommendations regarding plan design.

- a. The parties understand and agree that the projected \$803.4 million cost is based upon an analysis by HBC consultants and further is based upon the number of anticipated participants, utilizing established eligibility/coverage criteria, at the time of the projection.
- b. Therefore it is understood and agreed by the parties that the actual cost for calendar year 2007 may be higher or lower than the \$803.4 million amount as a result of an increase in the number of participants (based on current eligibility/coverage criteria) or a decrease in the number

Article XV – Health and Welfare

of participants (based on current eligibility/coverage criteria) compared to the number of participants on which the \$803.4 million projection was based.

c. In light of the foregoing, the parties agree that if the number of participants (based on current eligibility/coverage criteria) increases above the number used to project the \$803.4 million cost, the District shall fully fund any costs associated with the increase in the number of participants in an amount above the \$803.4 million initially projected.

d. Conversely, if the actual costs of providing benefits is below the \$803.4 million amount due to (a) lower participation than projected; (b) plan design changes that lower overall costs; or (c) other savings such as Medicare Part D reimbursement, the parties agree that any unspent monies (the difference between \$803.4 million and actual costs) shall be placed in a reserve fund to defray the future costs of health benefits. Such reserve shall be subject to the management and control of the HBC through its regular “recommendation process” and the negotiations process set forth herein.

e. At such time as any state or national legislation is enacted into law that appears to impact the reserve set forth in section 2(d) above, the impact and implementation thereof, if any, shall be subject to the management and control of the HBC through its regular “recommendation process” and the negotiations process set forth herein.

2.0 Plan Revisions through the District-wide Health Benefits Committee: A District-wide Health Benefits Committee (HBC) shall be formed.

a. Composition -- Each union shall be entitled to one (1) HBC member for every 5,000 unit members represented or fraction thereof. The District shall be an official member of the HBC; the District and each union shall have one vote apiece. The District shall provide resource staff as determined by the HBC, and shall provide adequate paid release time for those HBC members who are employees of the District.

b. Decision Making -- Consensus shall be used in all HBC deliberations. If a consensus decision cannot be reached, then in the alternative, each union and the District shall have one (1) vote apiece. Any recommended changes to the existing kinds and levels of benefits shall require a two-thirds (2/3) vote of the members present and voting.

c. Authority -- Subject to the terms of subsection g. below, the HBC shall have the sole and exclusive right, and duty, to design the Health and Welfare programs of the District, within the cost parameters of the District budget established for that purpose and in effect at the time. That budget figure is the product of the negotiations process set forth in

Article XV – Health and Welfare

section 2.1 below. (See sections 1.0 and 1.1 above for the current budget cost parameters).

d. Proposed changes in the existing kinds and levels of benefits shall be submitted as recommendations to the Board of Education, which shall thereafter be subject to the provision set forth in section 2.1 below.

e. The HBC may investigate the creation during the term of this Agreement of a joint Employer Health and Welfare Trust. Such Trust might include other public or private sector employees as determined by the HBC. The HBC shall review all existing contracts prior to expiration. No contract shall be for more than one (1) year, or awarded without open bid, except upon HBC approval.

f. Benefit Eligibility -- During the term of this Agreement there shall be no changes in the eligibility requirements for District Benefits (see Section 3.0 below).

g. Effective no later than January 1 of any plan year, the Sergeants & Lieutenants Association shall have the option of informing (in writing) the District and the other unions participating in the HBC of its intent to remove its Unit H pro rata share of District Health and Welfare Plan health benefit expenditures, assume the responsibility of providing a benefit program for its Unit H members, or having the District design and administer a health benefit program for its Unit H members. However, any removal of its Unit H pro rata share of District health benefit expenditures shall be subject to the precondition of nine (9) months' written notice to the District regarding the Sergeants & Lieutenants Association's intent to do so. Further, its removal shall only be effective on a January 1 plan anniversary.

h. The District and the unions/associations will develop plans to address unfunded liability GASB 45 issues through the HBC.

2.1 HBC Recommendations/Coordinated Negotiations/Dispute Resolution Process. The up to \$803.4 million maximum District contribution set forth above will not be increased absent agreement by all parties (the District and all unions/associations) reached through the negotiations process set forth herein. The following procedure and timeline shall apply annually:

a. By May 1 - HBC recommendation(s) to School Board ("Board").

1. Current contracts between the District and all unions/associations require consensus or 2/3 vote of HBC to recommend changes in plan design.

Article XV – Health and Welfare

2. If there is HBC consensus, such recommendations shall be submitted to the Board. If the Board approves HBC's recommendations, the "new" plan shall be implemented in accordance with the established health plan year. The increased cost of benefits shall be an increase in employee total compensation and shall be accounted for in negotiations with each union in the manner described in sections 1.0 and 1.1 above.
3. If the HBC does not reach consensus, (i.e., even if 2/3 of HBC members endorse a plan,) both a majority plan recommendation (the plan that garnered at least a 2/3 HBC vote) and minority plan recommendation(s) (i.e., from any organization that did not vote for the 2/3 majority plan recommendation) shall be presented to the Board.
4. Following presentation of majority and minority plans to the Board for consideration, the Board shall take action to adopt one of the following three options:
 - a. Accept the "majority plan" recommendation. If this occurs, the new plan shall be implemented in accordance with section 2.1 (a) (2) above; or
 - b. Endorse the "minority plan" recommendation; or
 - c. Reject both recommendations.
5. If the Board chooses 4 (b) or (c) above, the issue of plan design shall be referred back to the HBC. The Board shall give guidance to the HBC as to what actions it believes should be taken.
 - a. The HBC shall reconsider and potentially revise its plan design recommendation based on the above.
 - b. If the HBC reaches consensus on a revised plan recommendation (i.e., there are no "minority plans"), this recommendation shall be forwarded to the Board for adoption. If the Board accepts the revised recommendation, section 2.1(a) (2) shall then apply.
6. If the Board rejects the revised consensus HBC recommendation or if the HBC is unable to arrive at a revised consensus recommendation by June 1, the following procedure shall apply:
 - a. Within ten days of the Board's action, or the HBC's inability to arrive at a revised consensus recommendation, the parties shall commence

Article XV – Health and Welfare

coordinated negotiations (the District and all unions/associations) over the subject of plan design and benefit costs for the applicable calendar year. Any agreements reached shall be reduced to writing and subject to normal ratification procedures. The increased cost of any agreed upon plan shall be an increase in employee total compensation and shall be accounted for in negotiations with each union in the manner described in sections 1.0 and 1.1 above.

- b. If the parties have not reached a tentative agreement by October 1st, the parties shall jointly declare the existence of an impasse pursuant to Government Code section 3548 and shall immediately proceed with statutory impasse procedures (mediation, factfinding).
 - c. Notwithstanding the provisions of any negotiated contract between the parties (the District and all unions/associations), or the status of negotiations between the District and each individual union/association, if the statutory impasse process is exhausted, and agreement is not reached over the subject of health and welfare benefits, and if the District imposes its last best offer, all parties to this agreement shall have the right to engage in and respond to lawful concerted activities. Accordingly, the “no strike/no lockout” provisions of the respective collective bargaining agreements shall be suspended.
7. Open enrollment shall not occur until a new plan design is adopted by the parties (the District and all unions and associations) pursuant to completion of the procedures described above, (or exhaustion of the impasse process, if applicable).
- a. Pending the completion of procedures/negotiations /impasse for new plan adoption, employees shall remain in their current plans.
 - b. Pending completion of procedures/negotiations/impasse for new plan adoption, the District shall temporarily assume the costs attributable to the written plan design. However, any increased costs of health and welfare benefits shall be recovered retroactively to the applicable January 1st as part of negotiations over total compensation, in the manner described in sections 1.0 and 1.1 above.

ARTICLE XVII

VACATION

1.0 An employee shall earn vacation for active service in a regular assignment or in an assignment in the same or another class in lieu of the employee's regular assignment in accordance with paragraph 1.1. Active service means all of the time for which pay is received, excluding overtime.

1.1 Accrual of vacation shall be determined based on the factors and in the manner set forth in the following table:

<u>Employee's Years of Service</u>	<u>Vacation Accrual Factor Based on 40 hour Workweek</u>		<u>Employee's Hours of Paid Status = Exclusive of Overtime</u>	<u>Employee's Hours of Accrued Vacation</u>
Less than 4 years	.03846			
14 or more years but less than 15	.05770			
15 years but less than 16	.06155	X		
16 years but less than 17	.06539			
17 years but less than 18	.06923			
18 years but less than 19	.07308			
19 years or more	.07693			

For example, a full-time twelve (12) month employee will accrue vacation annually as follows:

1 through 4 years	10 days
5 through 15 years	15 days
16 years	16 days
17 years	17 days
18 years	18 days
19 years	19 days
20 years	20 days

1.2 The vacation accrual factor for employees assigned a regular workweek of less than forty (40) hours during the first four (4) years of service shall be:

37.5 hours but less than 40 hours04087
35 hours but less than 37.504379
less than 35 hours03846

Article XVII - Vacation

During subsequent years of service vacation accrual shall be at the rate of the forty (40) hour workweek above.

1.3 A "year of service" for the purpose of this Article shall be defined as paid service in regular status for 130 days or more within the fiscal year, including time served in probationary or permanent certificated service; however, total assignment hours annually shall not exceed 2080 hours for years of service credit.

1.4 Upon separation from employment, a permanent employee shall be entitled to lump sum compensation for all earned and unused vacation time.

1.5 Vacations may be interrupted or terminated in order to begin illness leave, bereavement leave, jury duty, or military leave.

1.6 Except as set forth in 1.13 below, in computing pay for vacation, all applicable salary differentials shall be included and vacations shall be paid at the base salary rate in effect at the time the vacation is taken.

1.7 If an employee's vacation is scheduled during a period when he/she is on leave due to illness, industrial injury/illness, subpoena, bereavement, or military leaves or jury duty, he/she may request that his/her vacation date be changed.

1.8 No employee shall be permitted to accumulate accrued vacation in an amount greater than that which the employee earns in eighteen (18) pay periods (the employee's "vacation cap amount"). Once the employee has accrued vacation in an amount equal to the employee's vacation cap amount, the employee shall cease to accrue vacation until the employee uses vacation in an amount sufficient to reduce the employee's accumulated vacation balance below the employee's vacation cap amount. All appropriate adjustments shall be made annually at the end of each fiscal year so that the employee's earned vacation balance carried forward to the next fiscal year shall not exceed the employee's "vacation cap amount."

1.9 Employees are expected to take their vacation each year at any time or times approved by the appropriate supervisor. At the District's discretion, an employee's appropriate administrator or designee may require employees to provide the administrator with a proposed vacation usage schedule which schedules vacation for the school year in an amount necessary to assure the employee will not exceed the vacation cap amount. Vacation requests shall be approved or denied in writing by the Department within seven (7) working days of receipt of the vacation request. If employees in the same classification submit requests for vacation that result in a scheduling conflict (i.e., all requests cannot be granted), the employee with the greatest seniority in that classification shall be given preference, provided that this provision regarding seniority governing applies only to requests for vacation during the current or next pay period. Vacation requests that have been approved shall not be superseded by

Article XVII - Vacation

any subsequent request of another employee. Employees may be required to use accumulated vacation earned in prior years at any time approved by the appropriate supervisor. Once an employee's vacation schedule or request is submitted and approved pursuant to the above, no change can be made by the employee without submission and approval of an alternative vacation schedule for the date(s) in question.

1.10 After an employee's vacation has been approved by the appropriate supervisor, no change will be made without ten (10) days prior notice to the employee unless previously unforeseen circumstances would cause such absence to significantly interfere with the operations of the Department whereby such notice will be given as soon as practicable. For an employee so affected a reasonable effort will be made to reschedule the vacation at another time convenient to the employee pursuant to Section 1.9 above. Requests by employees to cancel approved vacation shall be submitted in writing and approved by the Department.

1.11 An employee that is prevented or prohibited from taking vacation previously approved by the employee's appropriate administrator shall be permitted to exceed by that amount the vacation cap amount for the school year in question, and shall be granted a preference the following year in scheduling vacation so as to assure the employee's ability to schedule sufficient vacation to reduce the employee's vacation accumulation below the vacation cap amount. However, such relief from the vacation cap amount must first be pre-approved in writing by the Superintendent or designee.

1.12 The District shall be permitted (but not required) to schedule and require employees to take vacation under the following circumstances:

- a. When the employee fails to provide an annual vacation schedule per 1.9 above;
- b. When the employee has accrued vacation in an amount equal to or greater than the vacation cap amount as provided in 1.8 above;
- c. The District may prohibit unit members from scheduling or taking vacation during periods when students are in session. "When students are in session" shall be defined as "periods other than winter, spring, and summer recess periods and during other periods when students are not in attendance for ADA purposes". Such denials shall not be unreasonable or without justification.

An employee may grieve the denial of a vacation request as unreasonable or without justification. At the option of the employee, such a grievance shall proceed directly to Step III of the Grievance Procedure, Article V, Section 11.0.

Article XVII - Vacation

1.13

a. Notwithstanding the foregoing provisions and in order to facilitate a complete transition from an unlimited vacation accrual system to the above-described 18 pay period vacation cap system, the District shall, for each employee employed by the District as of the adoption of this agreement by the Board of Education, calculate the employee's total annual vacation as of June 30, 1994 (the "1994 accrual bank"). The District will then credit each employee with their 1994 accrual bank as vested to be paid out at the time the employee separates from the District, but at the employee's salary rate in effect as of June 30, 1995.

b. In order to encourage employees to draw from their 1994 accrual bank (and thereby reduce the District's current unfunded vacation liability), should an employee utilize any vacation from their 1994 accrual bank during the employee's employment with the District, including vacation hours used during 1994-95, that employee shall be paid out at the employee's current salary rate at the time the vacation is utilized and deducted from the 1994 accrual bank annually at the end of the fiscal year.

c. The amount of vacation from the 1994 accrual bank which may be utilized by an employee during any school year shall be limited to twenty (20) days. This limitation shall include vacation used in lieu of half-pay illness pursuant to Article XIII, Section 11.5. Exceptions may be made at the sole discretion of the District, but must be pre-approved in writing by the Superintendent or designee.

1.14 Except as set forth in 1.13 above with respect to the employee's 1994 accrual bank, upon separation from service, the dollar value of the employee's vacation balance shall be paid in a lump sum at the employee's salary rate at the time of such separation (pursuant to 1.6 above).

ARTICLE XVIII

1.0 The responsibility for providing for safe working conditions that are in conformance with applicable law and which are within fiscal constraints shall be the District's. Employees shall be responsible for complying with safety procedures and practices and for reporting any unsafe condition, facility, or equipment of which he/she is aware. The District shall be responsible for informing employees of necessary safety procedures and practices. There shall be no reprisal against an employee for reporting any real or potentially unsafe condition, facility, or equipment.

b. Approval for reimbursement shall be obtained on the appropriate form signed by Division head or designee before the commencement of the course or program. Approval shall be at the sole discretion of the District. If a request for reimbursement is not approved, the employee shall be entitled upon request to know the reasons for the disapproval.

c. The District encourages its employees to obtain work-specific degrees and additional professional certifications for the purpose of increasing the employee's knowledge, understanding and skills as related to the employee's employment by the District. The course(s) or program must be directly related to the employee's current or future service within the District and for such purpose.

d. The course(s) or program shall not be taken during the employee's assigned duty hours.

e. Reimbursement shall be made as soon as practicable following presentation of official receipts and satisfactory evidence of successful completion of the approved course(s) or program. If grades are received, successful completion shall be defined as a grade of C or passing.

Article XIX - Tuition Reimbursement

1.1 Provisions of this Section shall not apply to any employee eligible for reimbursement by any other governmental agency, organization or association.

1.2 An employee who terminates employment with the District within six (6) months of receiving tuition reimbursement pursuant to this Section, shall refund the amount of the reimbursement to the District, or it shall be deducted from the employee's final warrant. This requirement shall be waived in the event of the employee's death or physical or mental disability which precludes the employee from returning to District employment.

Nothing herein is intended to prevent the parties from meeting and negotiating during the term of this Agreement, pursuant to mutual consent.

ARTICLE XXI

Appendix A of the 2005-2008 Agreement shall be modified to reflect a base salary rate increase of 10.0% for all Unit H classifications effective July 1, 2006

1.0 Deductions from all retroactive payments shall be at the applicable supplemental tax rates, and the legally required amount for the employee's PERS contribution and Medicare, if applicable.

2.0 PERS Contribution for Safety Members: The District and the Union agree as indicated below with respect to Unit H employees' contribution and the District's contribution to the Public Employees' Retirement System (PERS). It is also agreed that this Section shall pertain and apply only to those Unit H employees who are or become members of PERS in the Local Safety Member Retirement Plan and only for the period of time such employees are in the Unit H bargaining unit.

a. Consistent with the District's agreement with Local Safety members in Unit A, subject to PERS approval, the District will, effective, July 1, 2001, amend its contract with PERS to change the Safety Member Retirement Plan from a two percent (2%) at age 55 formula to a three percent (3%) at age fifty (50) formula (California Government Code Section 21362) for service rendered after June 30, 2001, and will seek the following additional amendments: One-year final compensation (California Government Code Section 20042); five percent (5%) Annual Cost-of-Living Allowance (California Government Code Section 21335); Fourth Level of 1959 Survivor Benefit (California Government Code Section 21574; and Military Service Credit As Public Service (California Government Code Section 21024). b. District Contribution: The District will assume the cost of the foregoing changes up to a maximum of 13.02% of a Safety Member's gross salary. Such District contribution, however, shall only be made for that pay period in which an employee is a Unit H PERS Safety Member as of the employee's last paid day of that pay period. If for any reason, including legislative action, judicial decision, PERS action or otherwise, the District's contribution rate is increased above 13.02%, the District shall pay such excess contributions, but shall completely offset that expense by making payroll deductions from the salary Unit H Local Safety Members would otherwise receive.

c. Employee Contribution: Effective July 1, 2001, the District shall begin to pay one and seven-tenths percent (1.7%) of the employee's required PERS contribution, while the employee shall continue to pay the remainder of any required employee contribution. The Union acknowledges that Safety Member employees will be responsible for any increase in the employee contribution under the new Plan. This increase is currently estimated to be two percent (2%), resulting in an estimated seven and three-tenths percent (7.3%) contribution by the employee. The Union further acknowledges that Safety Member employees will be responsible for any future increase in the employee contribution rate. The District shall pay such excess contributions (i.e., above the District's agreed 1.7% portion), but shall completely offset that expense by making payroll deductions from the salary Unit H Safety members would otherwise receive.

d. The Union agrees that the PERS Safety Member Retirement Plan is administered by the State of California and that all decisions and rules with respect to qualifications for retirement benefits, level of benefits, taxability of benefits, and the administration of the Plan is the responsibility of PERS. Accordingly, it is expressly understood that all such matters, questions or issues relating to the PERS Local Safety Members Plan are excluded from the grievance and arbitration provisions of Article V (Grievance Procedure).

e. In order to implement this Section, the District at its sole discretion may enter into and unilaterally may amend, alter, or modify any contract or contracts with the Public Employees' Retirement System of the State of California.

f. The District may also at its sole discretion, in order to save the District money, choose to "depool" or separate from the combined group of eligible employees and segregate the appropriate share of assets to fund Local Safety Member Retirement.

In accordance with the terms of the Health and Welfare Benefits MOU, the parties further agree:

- a. The projected cost of District contributions for all eligible District employees for the 2007 calendar year is a maximum of \$803.4 million.
- b. This cost represents up to a \$29.3 million increase over the maximum amount the parties agreed the District would budget for calendar year 2006 (\$774.1 million) for health and welfare benefits and a \$58.2 million increase over the estimated actual cost of benefits for calendar year 2006.
